

We hope this newsletter finds you well this year. We are continuing landscape maintenance and tree trimming.

The Oregon State Mortuary and Cemetery Board requires that we keep records of all interment in our cemetery. Individuals are allowed to privately intern a loved one's cremated remains at our cemetery (staying in one's own deeded lot or plots). When or If this has been done, please send us a quick note (with location) and a photo copy of the death certificate.

Please refrain from using plastic flowers and decorations, it requires more time to remove the items so they do not get shredded in the mowing process.

The Butteville Pioneer Cemetery board appreciates the donations that you send each year for the betterment of your Cemetery.

If you want to get out and enjoy some fresh air, Please join us at your cemetery for our annual meeting on May 23rd at 10:00 am. We plan on talking about a new sign and purchasing a portable lavatory for your cemetery.

OREGON GRANT INFORMATION

On behalf of Butteville Pioneer Cemetery, Wilsonville Historical Society has applied for a grant. This grant, if approved, would provide funding to monument the historical burial site of the Jesse Boone Family.

The Cemetery Association meeting (with Social Distance) will be held at the Cemetery on Saturday May 23rd at 10:00 am

The Butteville Cemetery was first established in 1836. In 1894 it was moved and incorporated on land donated by A.E.M. Cone and named the Butteville Cemetery Association, Inc.

Within our three acres we have people well known in Oregon History. Six descendants of Daniel Boone. His grandson, Alphonso Boone founded the Boones Ferry at Wilsonville. Six members of Alphonso Boone's family are buried at Butteville. Another is F.X. Matthieu, and wife Rosa, whose vote at Champoeg put the Oregon Territory into the United States.

Requests

Please refrain from using glass and porcelain containers in the cemetery. Non-biodegradable Flowers(silk and plastic) will be removed during the lawn cutting season March - October.

This will help keep clean-up safe and mower friendly.

Thank you for your compliance.

Association Officers

Steve Jacoby – President
