Annual Cemetery Association meeting will be held at the Cemetery on Wednesday May 24th at 10:00 am

We hope this newsletter finds you well this Season.

The board would like to acknowledge Berna Croco, for her many years of dedication to the Cemetery Association, at the young age of 91 years old, Berna has elected to retire from her position As treasurer.

Berna Harper Croco moved to Butteville in 1942 when she was 10 years old. Her parents purchased the Vandeleur house from the Donahues and she attended Butteville School that fall.

She was always interested in the pioneers of the area who are buried in our cemetery - the Boones, F. X. Matthieu, the Whitneys of Broadacres, The Fellers of Donald, Ryans - too many to mention them all. She has 14 members of her family interred here, including her husband, Bill. Berna said "It was a privilege to keep the treasury records for 23 years". Time and distance are the reasons she cannot continue.

Please note the address change for your return envelope and donation.

We will discuss general cemetery business and Berna's replacement at our annual cemetery meeting held on Wednesday, May 24th 10AM at the cemetery.

We also want to remind everybody of our new website, buttevillecemetery.com

When visiting the website you will find our cemetery directory and maps.

In addition to the perpetual care costs, the website also adds additional costs for us to maintain. Your donations make this possible.

The Butteville Cemetery was first established in 1836. In 1894 it was moved and incorporated on land donated by A.E.M. Cone and named the Butteville Cemetery Association, Inc.

Within our three acres we have people well known in Oregon History. Six descendants of Daniel Boone. His grandson, Alphonso Boone founded the Boones Ferry at Wilsonville. Six members of Alphonso Boone's family are buried at Butteville. Another is F.X. Matthieu, and wife Rosa, whose vote at Champoeg put the Oregon Territory into the United States.

Requests

Please refrain from using glass and porcelain containers in the cemetery.

Non-biodegradable Flowers(silk and plastic) will be removed during the lawn cutting season March - October.

This will help keep clean-up safe and mower friendly.

Thank you for your compliance.
